SUBJECT: Grand Award in Technology & Honor Award in Engineering of Excellence

I am pleased to announce that Pima County Wastewater Management is awarded a Grand Award in Technology for the Conveyance SCADA System Project and an Honor Award in Engineering of Excellence for the Conveyance CCTV/Condition Assessment Project from the American Council of Engineering Companies (ACEC).

I congratulate Richard Sloan, Project Manager for the SCADA Project, Ivan Milensky, Project Manager for the CCTV/Condition Assessment Project, and our Wastewater Team for successfully completing both of these important projects as we continue our proactive approach to Wastewater Operations Management for the citizens of Pima County.

Richard and Ivan will accept these awards on behalf of Pima County at the ACEC Awards Banquet on October 15, 2005 in Phoenix.

Michael Gritzuk
